

Region II

The MAC Conference had a great year with the Richmond Boys finishing 2nd in Division II. The anchor Bay girls finished 2nd in Division I

Southeast Michigan had a highly successful State Tournament with Sterling Heights Stevenson becoming the first school to win both Boys and Girls Championships in Division II in the same year.

I have been working with the MAC Red Athletic Director for Bowling to ask the schools who are not involved with bowling to consider starting a program. With the season ended, I should have more time to work on this project.

Bob Soloman
Director Region II
