

The Michigan High School Interscholastic Bowling Coaches Association is an organization developed for coaches and interested persons who wish to promote high school and/or interscholastic bowling in the State of Michigan.

The association is organized to:

1. Promote High School and Interscholastic Bowling as an integral part of the total school education program.
2. Provide a forum for the discussion of techniques and rules of bowling.
3. Place at the disposal of coaches, sources of information for the education and development of both the student and the coach.
4. Promote the highest ethical standards for coaching in high school and interscholastic bowling.
5. Provide recognition of the outstanding coaches and players of its membership.
6. Provide for the continuing development and Promotion of the interscholastic bowling coaches in the State of Michigan.

### Ken Roznowski - Bay City John Glenn, Coach

I was introduced to high school bowling in 2000 when our eldest son, Steven, made the John Glenn “club team” during his freshman year. I started coaching the boys “B” team in 2002 when our second son, Brian, entered high school. My role expanded during the 2003 – 2004 season to include Assistant Girls Varsity Coach, supporting Head Coach Ann (my lovely bride) when high school bowling was finally recognized as a varsity sport in the state of Michigan. After the graduation of our youngest son, Kyle, in 2008, I asked to coach the girls JV team to further support the evolution of the Lady Bobcat program. As you can see, for the Roznowski household, high school bowling has truly been a family affair. In addition to our sons being part of both state championship and state runner up teams, our ladies program has enjoyed a great deal of success. Through 14 years of ladies varsity bowling I am proud to have been a part of 13 Conference Titles, 8 Regional Championships, 14 time State Qualifier (only program in the state of Michigan to have done so), 12 times advancing to the Elite Eight, 7 appearances in the Championship Match, resulting in the 2004 State Championship and 6 State Runner-Ups. I was privileged to work with three hall of fame coaches (Kowalski, Block and Roznowski) during my coaching tenure and it is with great humility that I accept this recognition.

### Philip Periard - Birch Run, Athletic Director

Philip was born and raised in Michigan, grew up in Birch Run, and is proud to call it his hometown. He is a graduate of Birch Run High School (class of 1983), has a Bachelor of Science degree, and a Masters from Saginaw Valley State University. Periard has always enjoyed bowling as a sport and worked in a bowling alley during his time in college. Philip has been Athletic Director and Assistant Principal for 16 years at Birch Run High School. He worked with a group of parents to help promote the interest in high school bowling and the program has grown ever since. Periard is always helping with communication and support at the TVC level for their conference and has attended several of the State finals over the years. The Birch Run boys were Regional Team Champions in 2012, and the Birch Run Girls added Regional Team Championships in 2011 and 2012 to their credentials. In addition to Team Regional Championships, the school has two Regional Boys Singles Championships. The Panther Boys finished as Tournament Finalists in the 2011 State Team Championships, and the Lady Panthers won the 2017 State Team Championships.

## 2017 MHSIBCA Hall of Fame

### Eric Painter - Flat Rock, Coach

Painter was introduced to the sport of bowling by his mother and father. They moved to Michigan in 1962, and his mom took a job with Flat Rock Lanes. His first coaching experience came at the age of 16 in the AJBC youth leagues. Eric later attended Ferris State University where he studied Law Enforcement, and was a member of the Men's Bowling Team. After some time, he retired from law enforcement and went to work for Flat Rock Schools. Painter started the boys and girls bowling program as a club sport, eventually bringing it to a recognized varsity sport in 2006, and was key in getting the conference bowling league started. Soon after, he became Athletic Director of Flat Rock High School in 2006. Eric was the coach of the varsity bowling program for 12 years, leading them to Regional Team Championships in 2010, 2011, 2012, and 2017. In the State Team Championships, they finished in the 2009 Elite Eight, and 2011 Final Four. He has had multiple bowlers qualify for State Singles Finals, including John Leroux who finished 2nd overall in 2011.

### Michael Balentine - Flint Northwestern, Coach

Mike was introduced to the sport of bowling by his father, and attended Dover High School in Delaware. He also attended Delaware State University, where he was a member of the Men's Bowling Team. Balentine came to Michigan for tryouts with the Detroit Lions and has lived here ever since. He is a successful bowler in his own right with thirty-one 300 games, and four 800 series. His daughter was bowling for Flint Northern High School and he decided to assist in coaching. After she graduated, he decided to stay on to help the program. Mike has been coaching at Flint Northern / Flint Northwestern since 1999 and has obtained his USBC Level One Coaching Certification. During that time his teams have won 2 Saginaw Valley Conference Team Champions (Girls 2007, Boys 2008), and in 200, he led his boys team to 4th in the State Team Finals. Balentine coached Alona Tipton to State Singles Finals Runner-Up, and Brian Harris to a Regional Singles Championship. His bowling teams practice at Colonial Lanes in Flushing, where Jerry Doyle (Proprietor) has supported him and the team. He has been working with Don Woods and Dale Thames for many years to keep bowling in Flint high schools supported and competitive. Mike has always enjoyed working with the kids and has helped secure over a dozen scholarships for bowlers graduating from his program. Mike is staple in the Flint bowling community and is greatly deserving of this recognition.

### Claude (JR.) Lafnear - Oxford, Coach

Bowling has been in my family for as long as I can remember. Both my parents bowled and many Aunts and Uncles. Most of my early dates with my wife of 32 years were at a bowling center. Nearly all of my close friends are bowlers. It made sense that I would teach my son and daughter to bowl at an early age. It was at Collier Lanes in 2004 when my son and a couple of his friends saw a high school match and asked if we could start a Oxford high school program. After talking with the AD at Oxford we formed a club and my life changed forever. In year 2 we were accepted as a varsity sport and were off to the races. I was very luck to have Steve Burgess and Fred Heichel say, "yes" to helping and they have never left my side. With their help and the support of Collier Lanes owners and staff we have built a very solid program. We have 7 conference titles: we have been state finalist and semi finalist in team. We have won a county championship and won 3 regional titles. We have sent 15 different bowlers to state and had 11 teams make it to states. We have had 4 different bowlers toss 300 games while in high school (2 boys, 2 girls). We have had many bowlers return as adults to bowl in adult leagues. I love watching them succeed as adults knowing we played a small role in their success. That's both on and off the lanes. I would also like to say we have had a great time getting to know the parents and grandparents of many bowlers. We are like a big family and I always enjoy seeing them in the Oxford Community. Our goal when we started was to teach the kids to love the game of bowling, show sportsmanship at all times, and represent the school and their families in a manner they would be proud of. We asked them to work hard at achieving their goals. Being inducted to the Hall of Fame means we are meeting those goals. I accept this honor on behalf of the program and my Family. I am truly honored.

### Frank Gulczynski - LeFevre's Family Bowl, Proprietor

It is said one of the best things about working is that you are happy. Thanks to the LeFevre family for having local high schools at their centers. This gave me the opportunity to work with high school teams, coaches, parents and bowlers. Knowing I was able to contribute was satisfaction in my job. Anything I could do to help develop young bowlers was my goal. I started bowling at the age of nine and at seventy one enjoy it more than ever. I am retired from the day to day operation of the center, but will help when needed. Through the years of meeting and working with bowlers I have made many, many friends and they will always be a part of my life.
