Qualifying Format

- There will be one division for boys, and one division for girls teams.
- All lane assignments will be pre-assigned prior to check-in.
- This event will be an all baker format. There will be a qualifying block of 20 baker games, bowling 4 games on each pair.
- Lineups can be changed at the start of each baker game. Mid-game and mid-frame substitutions will be allowed.
- We will alternate lanes on the pair after each game.
- A coaches meeting will take place at 9:00, and practice will begin at 9:15. Competition will start at 9:30.
- We will cut to the top 8 teams in each division. If there is a tie, the total pinfall for the last (5th) baker set of 4 games will break the tie. If there is still a tie we will move to the 4th set of 4 baker games, and so on.

Championship Format

- For the Championship bracket we will use a standard NCAA bracket, 1 vs. 8, 2 vs. 7, and so on.
- Teams will bowl a 3-game baker series, head-to-head. Teams must win two baker games to advance. If there is a tie, total pins in the series will break the tie. There is no roll-off for tie games.
- If each team wins a game, and there is a tie game, and total pins is also a tie, then there will be a 5 frame roll off to determine the winner.
- There will be a match for 3rd and 4th place.
- Team and individual awards will be given for the top three teams.
