The format: Teams will bowl 8 BAKER games across 4 pair of lanes and then (2) Individual team games for qualifying. Teams will move at the end of each 2 Baker games and after the first individual game. The top 8 Boys and 8 Girls teams will advance to an elimination BAKER bracket (2 Baker games - total pins). Ties in seeding will be determined by last game bowled. Any tie for the 8th spot will result in 1 Baker game roll off. The elimination rounds will be two BAKER games total pins for the two games advances. In the event of a tie to determine who wins the match, 8th through 10th frame will be bowled. The 2 teams in the final will receive a plaque for their school. The top 4 teams will receive medals. Mid Frame substitution will be allowed, but the bowler removed cannot return to that game, bowler added must finish that game. All MHSAA rules will be followed and the tournament committee's decision will be final on all disputes. This format for qualifying is the same as the State Finals and is intended to give teams/coaches an idea of what Regionals will be like on the pattern that will be used for Regionals and State Finals. Top 5 boys and top 5 girls will make All Tournament Team for the 2 individual game scores - medals will be awarded for all tournament teams.

Note: Division 1 Region 2 Regionals will be held at Richfield Bowl

If enough teams from different divisions enter, we will have (2) divisions
