

The Michigan High School Interscholastic Bowling Coaches Association is an organization developed for coaches and interested persons who wish to promote high school and/or interscholastic bowling in the State of Michigan.

The association is organized to:

1. Promote High School and Interscholastic Bowling as an integral part of the total school education program.
2. Provide a forum for the discussion of techniques and rules of bowling.
3. Place at the disposal of coaches, sources of information for the education and development of both the student and the coach.
4. Promote the highest ethical standards for coaching in high school and interscholastic bowling.
5. Provide recognition of the outstanding coaches and players of its membership.
6. Provide for the continuing development and Promotion of the interscholastic bowling coaches in the State of Michigan.

Mike Martin – Grand Blanc, Coach

Mike Martin has been coaching the Grand Blanc Varsity Boys' Bowling Team almost since it's inception in 2000. A 1995 Grand Blanc High School graduate himself, Coach Martin has taken pride in the bowlers at Grand Blanc since he began coaching in 2001. His coaching has led to lifelong friendships and brings him great joy every year. His daughter, Megan Martin, is now a member of the Varsity Girls' Bowling team as a freshman at Grand Blanc High School. Coach Martin is an active member of the Grand Blanc community, very recently being nominated for the "Hometown Hero" award from the Grand Blanc Chamber due to his generous work through his local business, Event Tents. He serves as the President of the Grand Blanc Softball Boosters program, where he supports both his daughters' passion for softball. Mike and his wife, Peggy, are actively involved with their younger daughter Jordan's interests, as well. Jordan is a student at Myers Elementary in Grand Blanc. Mike loves to share the game with his teams and help them grow as bowlers. He says he, "hopes to make them a better person as an adult", as well. He credits previous Varsity Girls' Bowling Coach Ken Kurdziel as a great help to him over the previous 15 years. Brad Ross and Jen Hunter have also assisted him greatly in more recent years of coaching the Boys' Varsity Bowling Team. Coach Martin's teams can claim over 125 Wins from the Big Nine and KLAA Conferences, 3 Big Nine Conference Titles / 2 KLAA Conference Titles, 3 Regional Team Championships, 2 Regional Singles Championships, along with 5 MHSAA State Team Finals appearances and 20 MHSAA State Singles Finals appearances. Coach Martin has been bowling for 38 years, starting at the age of just 3 years old. He's had numerous 300 games (perfect game score) and 800 series, but he says none of those accomplishments compare to this nomination and acceptance into the Michigan High School Interscholastic Bowling Coaches Association (MHSIBCA) Hall of Fame. He thanks "Grand Blanc Community Schools and his community for allowing him to coach so many wonderful students on his journey." – Grand Blanc High School News

Jim Hamlin - Owner/Proprietor, Country Lanes

Bowling has been in the Hamlin family bloodlines since Jim's grandfather Delos, started Farmington Lanes back in 1954. Jim a tremendously accomplished bowler, graduated from Farmington High School in 1979 and by the late 1980's, had taken over the family business from his father Fred. It was now called Country Lanes and became the place to laugh and bowl, make friends and memories and the place a city congregated because of its family first environment. Jim was the reason for all of this, as he has been the sole owner and proprietor of Country Lanes for the past 30 years. He is also the founding member of the Farmington-Harrison Unified Bowling program that began in 2003. His leadership, kindness and generosity have been the building blocks for the high school programs that have grown under the roof at Country Lanes. These lanes have been home to the programs of Farmington-Harrison, Livonia Clarenceville and Country Day High Schools over the past 15 years. His number one priority during this time has been the development of the youth bowlers as not just good bowlers, but as good people and great ambassadors of the sport of bowling. Jim's smile and booming laugh were what awaited you at Country Lanes on a daily basis where if he was not at the front counter, he was down on the lanes interacting with the future of our sport by coaching, mentoring and developing their skills. This award is about the legacy created and left behind by a great proprietor who's commitment to his high school program was more about love, kindness and creating a family first environment above and beyond anything else.

Mark Faupel - St. Charles, Coach

I have been involved in the sport for 30 years - starting as a youth coach at Stardust and moving to Youth League Coordinator in 1996 at Crooked Creek and LeFevre's Family Bowl in 2017. Many of the bowlers on my team came from the Crooked Creek youth leagues, where I had a chance to watch them grow and develop into bowlers. I also am an avid bowler myself with 20 300 games and an 816 high series. My goal when hired in 2006 was to build St. Charles into a program that could compete at a high level to win championships. I was asked by two of my youth bowlers if I would be willing to coach a high school team if they were to put one together. I accepted and it has been a great 13 years. The best advice I received in coaching was from Rusty Thomas, Pinconning coach. He told me to take your kids to tournaments and let them play against top competition. It will get them ready for regional and state. When I first started out, I knew nothing about them and I am very glad I got them in. It has definitely made us better and stronger. I plan to continue coaching. I enjoy the competition and the work it takes to make kids better. The satisfaction I get from coaching is watching kids develop and succeed on the lanes both as a team and individually. The program has been constructed with high expectations every year as a result of our successes. It is gratifying to me to know that I have been a part of it. One of the biggest thrills for me was the 2010 State Champion Team being inducted into the St. Charles High School Sports Hall of Fame (in 2017). Coach Faupel's teams can claim 123 wins against 29 losses (including 37 consecutive wins spanning 3 seasons), 5 Regional Championships, 2 State Team Finalist, 1 State Finals Championship (2010), along with 3 State Singles Titles (Kyle Tuttle - 2014, 2015, 2016).

2018 MHSIBCA Hall of Fame

Dennis Hermani - Farmington-Harrison, Coach

The coaching of bowling formally came into my life when I was asked in the fall of 2005 if I was able to coach our bowling program by some of the athletes involved. Here I am 13 years later and that moment has been an absolute blessing. This award belongs to the entire Farmington Harrison family and is not an award for individual achievement. Since the day I started, I have been blessed to be assisted by Aleta Sill and Michelle Mullen, owners of the Bowling World Pro Shop inside Country Lanes, Jim Hamlin proprietor of Country Lanes and a dedicated staff of assistant coaches in Mike Clarahan, Bruce Doran, Jim Waun, Joe Bachleda and 6 former bowlers of our program. The sacrifices made by my wife, Marie and my children over the years have allowed me to pursue my passion of coaching our high school athletes. Today, our program stands on the shoulder of the athletes who have allowed us to coach them not just in the sport of bowling but in the adventures and lessons of life. These athletes have amassed a tremendous amount of awards both individually and as a team. Our boys team has won 6 OAA championships, an Oakland County Championship and 3 Oakland County Runner up finishes, a State Finals appearance in the Elite 8 and 11 state singles qualifiers. Our girls program has amassed 5 OAA championships, is a 6 time state qualifier in the team competition with 3 regional championships, a State Finals Runner Up and 16 state singles qualifiers as well. The consistency of these athletes have led the boys team to a record of 126-34-5 and the girls are 124-40-3 over the same period of time. I am most proud that these athletes have come back to assist with practices, volunteer coach, and promote the sport of bowling with our younger athletes. Farmington Harrison bowling is a true family environment and it is with great humility that I accept this honor for all of the sacrifices made by our coaches, athletes and my family.

Mike Eaton - Owner/Operator/Proprietor, Spectrum Lanes

Mike Eaton started his career in bowling as the General Manager at Comet Lanes in Grand Rapids in 1976, and in 1983 he opened his own Pro Shop. Currently Mike is the Owner/Operator of Spectrum Lanes in Grand Rapids. He attended Grand Valley State University where he studied Computer Science and Math. Mike started coaching Grandville High School Varsity Bowling program in 2006, accepted a position as Davenport University's Assistant Men's Bowling Coach in 2009, and is currently the Head Bowling Coach for the Men's and Women's programs at that same school. Spectrum Lanes has sponsored 6 schools every year since high school bowling began, and over the past 12 years has helped athletes receive over \$250,000 in athletic scholarships for their college educations. Mike is an accomplished bowler with several 300's and 800 series, Team USA Member (1980), and a member of the PBA since 1983. In 2005 was inducted into the Grand Rapids Hall of Fame, and currently serves on the selection committee. Coach Eaton's Grandville teams can claim several Regional titles both Team and Individual, over 10 appearances in the MHSAA State Team Finals, and a MHSAA State Singles Champion in 2014 (Josh Kukla).
