## Format for the Regional and States Tune-Up Tournament

1. Fifteen minutes of practice will be allowed prior to the start of the first game. No additional practice time will be allowed until the Match Play portion of the tournament.
2. Athletes will bowl three (3) games and two (2) baker matches on five (5) different pairs of lanes. Follow lane assignments on the recaps. Competitors are asked to observe one-lane courtesy.
3. After completing 3 regular games, teams will move again for the first baker match (2 baker games) and then one more time for the last baker match (2 baker games). Please follow lane assignments on the recap sheet.
4. The Baker Format uses the lead-off bowler to bowl frames 1 and 6, the second bowler to bowl frames 2 and 7, and so on. The position of each bowler in the line-up may be changed for each game.
5. There will be a 30 minute break after the qualifier. This will allow tournament officials time to tally up all scores and determine which teams will continue on to the Match Play competition.
6. The cut to the second round or Match Play will be the top 8 teams, based on total pin fall from the first round. If there is a tie for 8th place - the tie will be broken by 1 baker game. Number of teams for JV Match Play will be determined by the number of entrants.
7. Teams will be seeded into the NCAA format for Match Play competition. Teams will bowl 2 head-to-head Baker games with total pins determining the winner to advance to the next round. In the event of a tie, there will be a five-frame (6 thru 10) Baker roll-off on the 2nd game. Match Play elimination will continue until first place and a runner up is determined. Trophies will be awarded to the highest team and the runner up in both the boys and girls divisions.
