# MHSCA 2020 Distinguished Service Award Recipient Nate Hampton

MHSAA Assistant Director Nate Hampton has served Michigan high school student-athletes and coaches for more than 30 years in ways that will continue to impact schools and athletes for years to come. In recognition of his efforts, he has been named the 2020 recipient of the Michigan High School Coaches Association "Jack Johnson" Distinguished Service Award.

Mr. Hampton has served the MHSAA since 1990 and is the administrator for Basketball, Football, Track & Field. He is also the staff liaison for the MHSAA Equity Committee, the Upper Peninsula Athletic Committee.

"Nate has contributed to Michigan high school athletics on a variety of levels providing vision, leadership and dedication," MHSAA Executive Director Mark Uyl said. "Nate Hampton has shaped rules and policies that have impacted programs not only in our state, but nationally as well."

A 1966 graduate of Eastern High School in Detroit and a 1971 graduate of Morgan State (Maryland) University, Hampton joined the MHSAA staff in 1990 after serving as citywide athletic administrator for the Saginaw (Michigan) Public School District for two years. At Saginaw, Hampton was responsible for the athletic programs for 24 elementary schools, five middle schools and two high schools. "It's just what I do, to make everyone's time more enjoyable when they are around their sports."

In addition to his work at the MHSAA, Nate has provided a long list of contributions at the national

level.

He has served as the NFHS representative at the national level, in addition to his work with football and basketball at the state level, Hampton recently concluded a four-year term as chair of the NFHS Basketball Rules Committee, and he is a current member of the NFHS Football Rules Committee and the Football Equipment Subcommittee.

Mr. Hampton has received a Citation from the National Federation of State High School Associations. He has also recognized by several Michigan sports associations for his ongoing dedication and support.

The MIAAA The Michigan Interscholastic Athletic Administrators Association presented him with the MIAAA Special Recognition Award, MITCA, The Michigan Interscholastic Track Coaches Association recognized him for with their service to the organization, and BCAM Basketball Coaches Association of Michigan placed Nate in their Hall of Honor.

Now, the Michigan High School Coaches Association also shared in honoring a person who works tirelessly and with selfishness to make sports the best for all who seek it out.

September Newsletter from the

September 2020

Déjà vu?

I wrote last year's September newsletter. When I remembered I was supposed to be writing it again this year, I thought, "Oh no, what do I have to give everyone that they don't already know?"

I cannot count the number of times I have started and restarted this letter.

There have been many false starts, but here we go.

First, I hope everyone is staying healthy and surviving this pandemic.

I do not think any of us would have guessed anything like this was ever going to happen.

Life throws us many curveballs, but this year seems to be a big one.

My wife, Sylvia, and I are sitting on pins and needles waiting for the birth of our first grandchild.

Our daughter's pregnancy hit week 37 on Saturday.

We are excited and scared of what the future has in store.

I guess that would probably be normal even with no pandemic. Wearing a mask is becoming the norm, and social distancing is too.

I used to think when a person was backing away as I approached them that I was getting too close to their bubble. Now I catch myself backing up.

Second, after the vaccine comes out, we will be going to Lincoln next summer to pick up with the postponed convention.

We will be letting everyone know about updates as time moves forward. It truly will be a great convention.

This newsletter normally reminds everyone that Coach of the Year and Hall of Fame information will be sent out soon, but that is not the case since we will be honoring everyone from 2020 at the 2021 convention pausing the selection for one year.

Third, I did not know what it would take to not have face to face gatherings for our quarterly meetings.

Flooding and a pandemic have caused

the executive committee to think outside the norm, and we have found that we can accomplish almost all the objectives using online meetings.

Wow, I never thought we could make this work.

Last, please keep Ed Kershner in your thoughts and prayers as he waits for a kidney transplant.

I am sure many of you look forward to seeing Ed every year at the convention and listening to his coaching wisdom. I sure do.

Have a great fall season. Sincerely,

Rocky Ruhl

# Gymnastics joins the "New World" of High School Competitive Sports.

## From the practice gym to the competition floor, everything is different.

Preparing the gym and locker room for Covid cleanliness is step one. Apparently there is a hidden sign that says:

"Custodians do not enter", so that work is left up to the coaches. Actually one did come in once and wet mop pretty chalk designs on the bar mats.

Consider the pre and post cleaning necessary: You have a leather beam and vault, a 40 foot square carpet, wooden bars carefully chalked for safety, and hundreds of square feet of mats. Each presenting a unique "method" for cleaning with COVID in mind. Ultraviolet for all?

Next comes those 20+ gymnasts to be sanitized, masked, and separated. Club gyms have

each girl with her own plastic bag for water, grips, wrist guards, chalk, tape, etc. Hand sanitizer is necessary before during and after each event.

Spotting is an integral part of the trick learning process. Can't be done at 6 feet. "Go ahead, throw that flip, you'll be fine!"

That 6 feet also presents a problem for the 20+ girls. Still working on that. Can't even get into the safety problems with masks. Tumbling, flips, vaults, giants, plus, all would be unsafe wearing masks.

Dual Meets:  
No parents, that will be popular. Now the 20+ is 40+ gymnasts and coaches in a small gym.

The judges could be the main concern. Keep them separated from close interactions...Not possible. Covid health concerns involve age, cancer survivor, diabetes, recent surgery, and several others. The Coaches and Judges Association is considering attempting to set up Zoom video so they can judge off-site. Fraught with problems!

INVITATIONALS:  
No audience, over 100 gymnasts, moving a full set of equipment in and out of the main gym, no food, constant cleaning.....

At least one Invitational depends on admissions, concessions, raffles, and T-shirt sales to pay gym rental. No audience, no money. Canton's Invite is our main fundraiser, same monetary problem.

Gymnastics is the first winter sport to open, October 26. MHSAA says we are a go. We have a month to solve a million problems. Wish us luck!!
