Mason High School
Capital Area College Prep Tournament Format

1. The tournament is open to any combination of girls' and boys' teams that register and pay. Each team will bowl a qualifying round of 3 team games, followed by 3 blocks of 4 baker games using the collegiate baker game format of bowling the first 2 games on one lane of the pair then switching to the other lane to finish the block.
2. Total pinfall will determine the champions in each division.
3. The top 5 boys and girls scores taken from the team games will determine the All-Tournament Team.
4. Altering the surface of a bowling ball is not permitted once it has been used in competition. If a different ball is needed it may be altered only before it is used in competition.
5. Teams that start on the left lane will move left, skipping one pair after each game block. Teams on the right lane will move right skipping one pair.
6. In the event of a tie an additional baker game will be bowled if time permits. If there is not enough time, then the highest team game bowled in the 3-game set will decide the winner.
7. An awards ceremony will be held immediately following the championship matches. Trophies will be awarded for 1st and 2nd place boys' and girls' teams as well as medals for the ALL Tournament Teams.
8. ALL bowlers must be ready to bowl when it is their turn due to the limited amount of time to complete the tournament.
